Hola

Things happen when God's people pray!!! Prayer, fueled by Faith sparks action as we have seen over and over again throughout time. As you read this e-news, Pray in Faith and Give God Glory for all He is doing at the GSCH. Thank you for your friendship and partnering with us to help the children God sends to us.....*For His Glory, Greg & Eva*

When God shows up things happen..... It was a typical Sunday AM in our little church, not a breeze to be found as Luis Vargas preached the sermon God laid on his heart. Luis is one of our youth who arrived with his 3 sisters 10 years ago. Now 18 and feeling God's call to preach he is attending the Thomas Herrington Bible Institute to become equipped to preach the truth of God's word. His dreams and vision are to reach the lost and introduce them to the God he has come to love.

As I sat listening and praying for God to move not only in the service but in the home I was suddenly aware that something was changing around me!!! It was the wind.....suddenly the stillness was gone and the wind was blowing, harder and harder until the wooden windows were swinging open and closed. I looked around to see if anyone had noticed that God had brought His word to life once again. I love it when God lets us know He is there, hears our prayers and encourages us. You see Luis was preaching in Acts 2.....***Acts 2: 2 And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting.***

Friends, God loves to do little things to let us know He is there!! I don't know about you but I love it when God shows up and things happen.

Our Farm Educational project needs your help as we are looking to purchase a larger pump and more tubing to water our pastures and crops during the dry season. We are also wanting to restart our chicken programs which had to be shut down for a time to allow for evaluation of product expense. Pray God will supply for these projects.

Operation Fix Me..... Two of our boys have spent years in and out of the public hospital with no marked improvement. Wilmir Francisco has been treated for years for a gapping hole in his heel. He needs an operation to help him walk flat footed so his heel can be repaired. It is only by God's grace he has not lost his foot, leg or life to infection. Cristian Joel has also been in and out of the hospital due to stomach bacteria the returns causing him to rapidly lose weight. Doctors have agreed that his tonsils need to come out and this should remove the bacteria which keeps him ill. Several times he has gone into the hospital for days in severe conditions. Doctors have waived their fee for these boys but we need \$1700 for each boys operation. Pray for them and if God leads please contribute to their healing. In faith we are proceeding with preparation of their operation which will be programmed as the doctors can work it in. We believe that God will honor our steps of faith for these boys.

Gods call for Unity..... *Tick, Tac the clock is ticking and SUMMER break is almost here!!!!!! NOW is the time to be planning some fun, FUN, Fundraisers. All who minister to children know that it is important to teach giving and what better way to teach it then doing fundraising. Our website has lots of ideas ([click here](#)) that can help you get started. Fund raising is more then gathering funds, it is a time of coming together, united toward a common goal. The Lord wants us to be united. So unite and together help the children of the GSCH. Parents our children and youth need healthy pure activity. So get out there and have FUN!!!!*

Educational Sponsors are URGENTLY NEEDED!

You would be equipping them for the future with a strong Christian Education. For only \$50 monthly you can help a child to have a top quality education, that is only \$1.67 per day. We are asking God to raise up 200 sponsors to provide \$50 monthly for our children to have a solid Christian education. God has provided 3 sponsors. Is God calling you to help?... (We will update the number below monthly. Last update: 4/27/09)

News from the GSCH Shepherd's..... We give glory to God as we are now in our 14th year as missionaries with Baptist Medical & Dental Mission International. From a week long mission trip to serving full time we have seen God answer prayers and provide a way when there seemed to be none. We have found that when we let our needs be known God touches hearts and His people respond to glorify Him.

For years we have not asked for support for our ministry but instead focused on the support of the children and their needs. But at this time we find our personal support funding much lower then normal for this time of the year. Eva and I would ask that you join us in prayer asking God to bless our finances so that we can tend to our family needs and ministry needs as we should.
